RUTGERS DAY

Experience New Jersey's State University

Saturday, April 29, 2017

10 a.m. – 4 p.m.

Play

Rutgers University–Newark

Welcome to Rutgers Day

Rutgers University–Newark delivers the academic heft you'd expect from a powerhouse public research university like Rutgers – all right here in North Jersey. And we focus that energy—in teaching, research, and civic engagement! Whether you're a first-time guest or a frequent visitor, we invite you to get to know our great university and have some fun along the way!

Check out our mobile-friendly website: rutgersday.rutgers.edu/content/newark

General Information & Map Key

Information Tents

Your destination for questions, directions, campus maps, first aid requests, and other assistance.

Parking

Rutgers lots designated on the map are open and free.

First Aid and Emergency Services

Assistance is available at the information tents as well as from Rutgers Day staff and public safety personnel. Emergency phones are located throughout our campus. Call the Rutgers Police at 973-353-5111 or dial 911.

Lost Persons and Items

Immediately report a lost person to the nearest information tent or to any Rutgers Day staff member in a neon green or neon orange T-shirt. You can also call the Rutgers Police at 973-353-5111. Report or bring lost items to the nearest information tent.

Restrooms

Restrooms are available in all buildings open for Rutgers Day. (Open buildings indicated in blue on map.)

Dining

Food vendors are stationed throughout the campus.

Performance Stage

R Stage features premier entertainment all day long!

Alumni Weekend Programs

RUAA Scarlet Headquarters for alumni offers the opportunity to catch up with old friends, enjoy refreshments and activities, and get information about Alumni Weekend events. You can also pick up your class year button here and learn about alumni charter groups and ways you can become active in the alumni community.

Accessibility

Most Rutgers buildings (except historic buildings) are wheelchair accessible.

Photography and Videography

Photographs and videos taken at Rutgers Day may appear in our publications and website. By attending Rutgers Day, you grant Rutgers all rights to use these photos and videos in any medium and for all purposes that support the mission of the university. Please let our photographer or videographer know if you do not want your image taken.

CONTENTS

- 3 General Information**
- 4 Rutgers University–Newark Programming**
- 5 Map Key**

Rutgers University—Newark

Algal Nutrient Uptake Competition

Attendees can compete in taking up as many nutrients as they can to demonstrate competition between different algal species and why studying their uptake strategies is important for the food web, our ocean, and the air we breathe. **Department of Earth and Environmental Sciences**

Astrobiology: Planets on Earth

Visit us and try extracting DNA. Watch how instruments evaluate habitability of Icy Moon environments. **Department of Earth and Environmental Sciences**

Become a Bird Watcher

Create a bird feeder from natural materials. Take it home to watch and identify the birds as they come to feed. **Newark Environmental Sustainability Institute (NESI) and the Department of Earth and Environmental Sciences**

Brick City Bhangra Dance Team

Bhangra is a type of Indian folk dance that originated in Punjab, located in northern India. Check out Rutgers—Newark's very own Bhangra dance team! **Brick City Bhangra**

Calling All Alumni!

Catch up with old friends, make new ones, and enjoy complimentary refreshments and giveaways! **Rutgers—Newark Alumni Association**

Calling Gamers!

Join us for the best video game experience! A fully equipped gaming trailer with multiple screens! **Office of Student Life and Leadership**

Child Research Labs at Newark

Become a junior scientist through hands-on activities and fun games! **Child Research Labs, Psychology Department**

Color Me Calm

A mindful, relaxing activity—coloring. Explore family-friendly ways to relax and enjoy the moment! **Rutgers University—Newark Counseling Center**

Come Out and Play with Me!

Interactive fun for kids of all ages brought to you by CCLC (child care center). **Institutional Planning and Operations, Economic Development Group**

Eat Up!

Help stop food waste. For each empty plate, we will click a selfie and give out a brochure on the importance of food. **School of Public Health**

Fun and Games or Is It Learning?

We can't tell! Challenge yourself in a variety of different games and walk away a winner! Prizes include candy, balloons, face painting, and popcorn. **Academic Foundations Center**

Fun-Filled Physics for Family and Friends!

Fun physics demonstrations and hands-on activities for kids of all ages to learn about the world around them and get excited about physics! **NCAS Physics Department, Physics Club**

Geologic Hazards: Earthquakes and Tsunami

Create mini earthquakes and generate tsunami waves to learn about the forces unleashed by these geologic phenomena. **Department of Earth and Environmental Sciences**

Geophysics: Seeing the Unseen

Uncover Earth's mysteries, learning about technologies that allow scientists to "see" under the ground. **Rutgers Geophysical Society**

Give Back with Summer Session!

Let's gear up for Summer Session by giving back! We have teamed up with The Pantry RUN to host a food drive to fight hunger on campus. Donate nonperishable food and receive a giveaway. **Office of Summer and Winter Sessions**

Going Green for Sustainable Development

Learn how to take local action to tackle this global issue. Promote the United Nation's Sustainable Development goal of climate change. **Rutgers University Association of International Relations**

Health Is Wealth!

Be sure you are caring for your riches by getting FREE assessments and screenings. A team will be on call to answer any questions about our program. **Community and Clinical Affairs, Rutgers Community Health Center-New Jersey Children's Health Project**

Is This Real?

Our virtual reality headsets use the latest technology to deliver a total immersion virtual reality experience. Strap on the headsets and be immediately transported to an alternate world! **Office of Information Technology, Newark Computing Services**

It's a Bird! It's a Plane! No! It's Your Rutgers Super Heroes in Safety Patrol

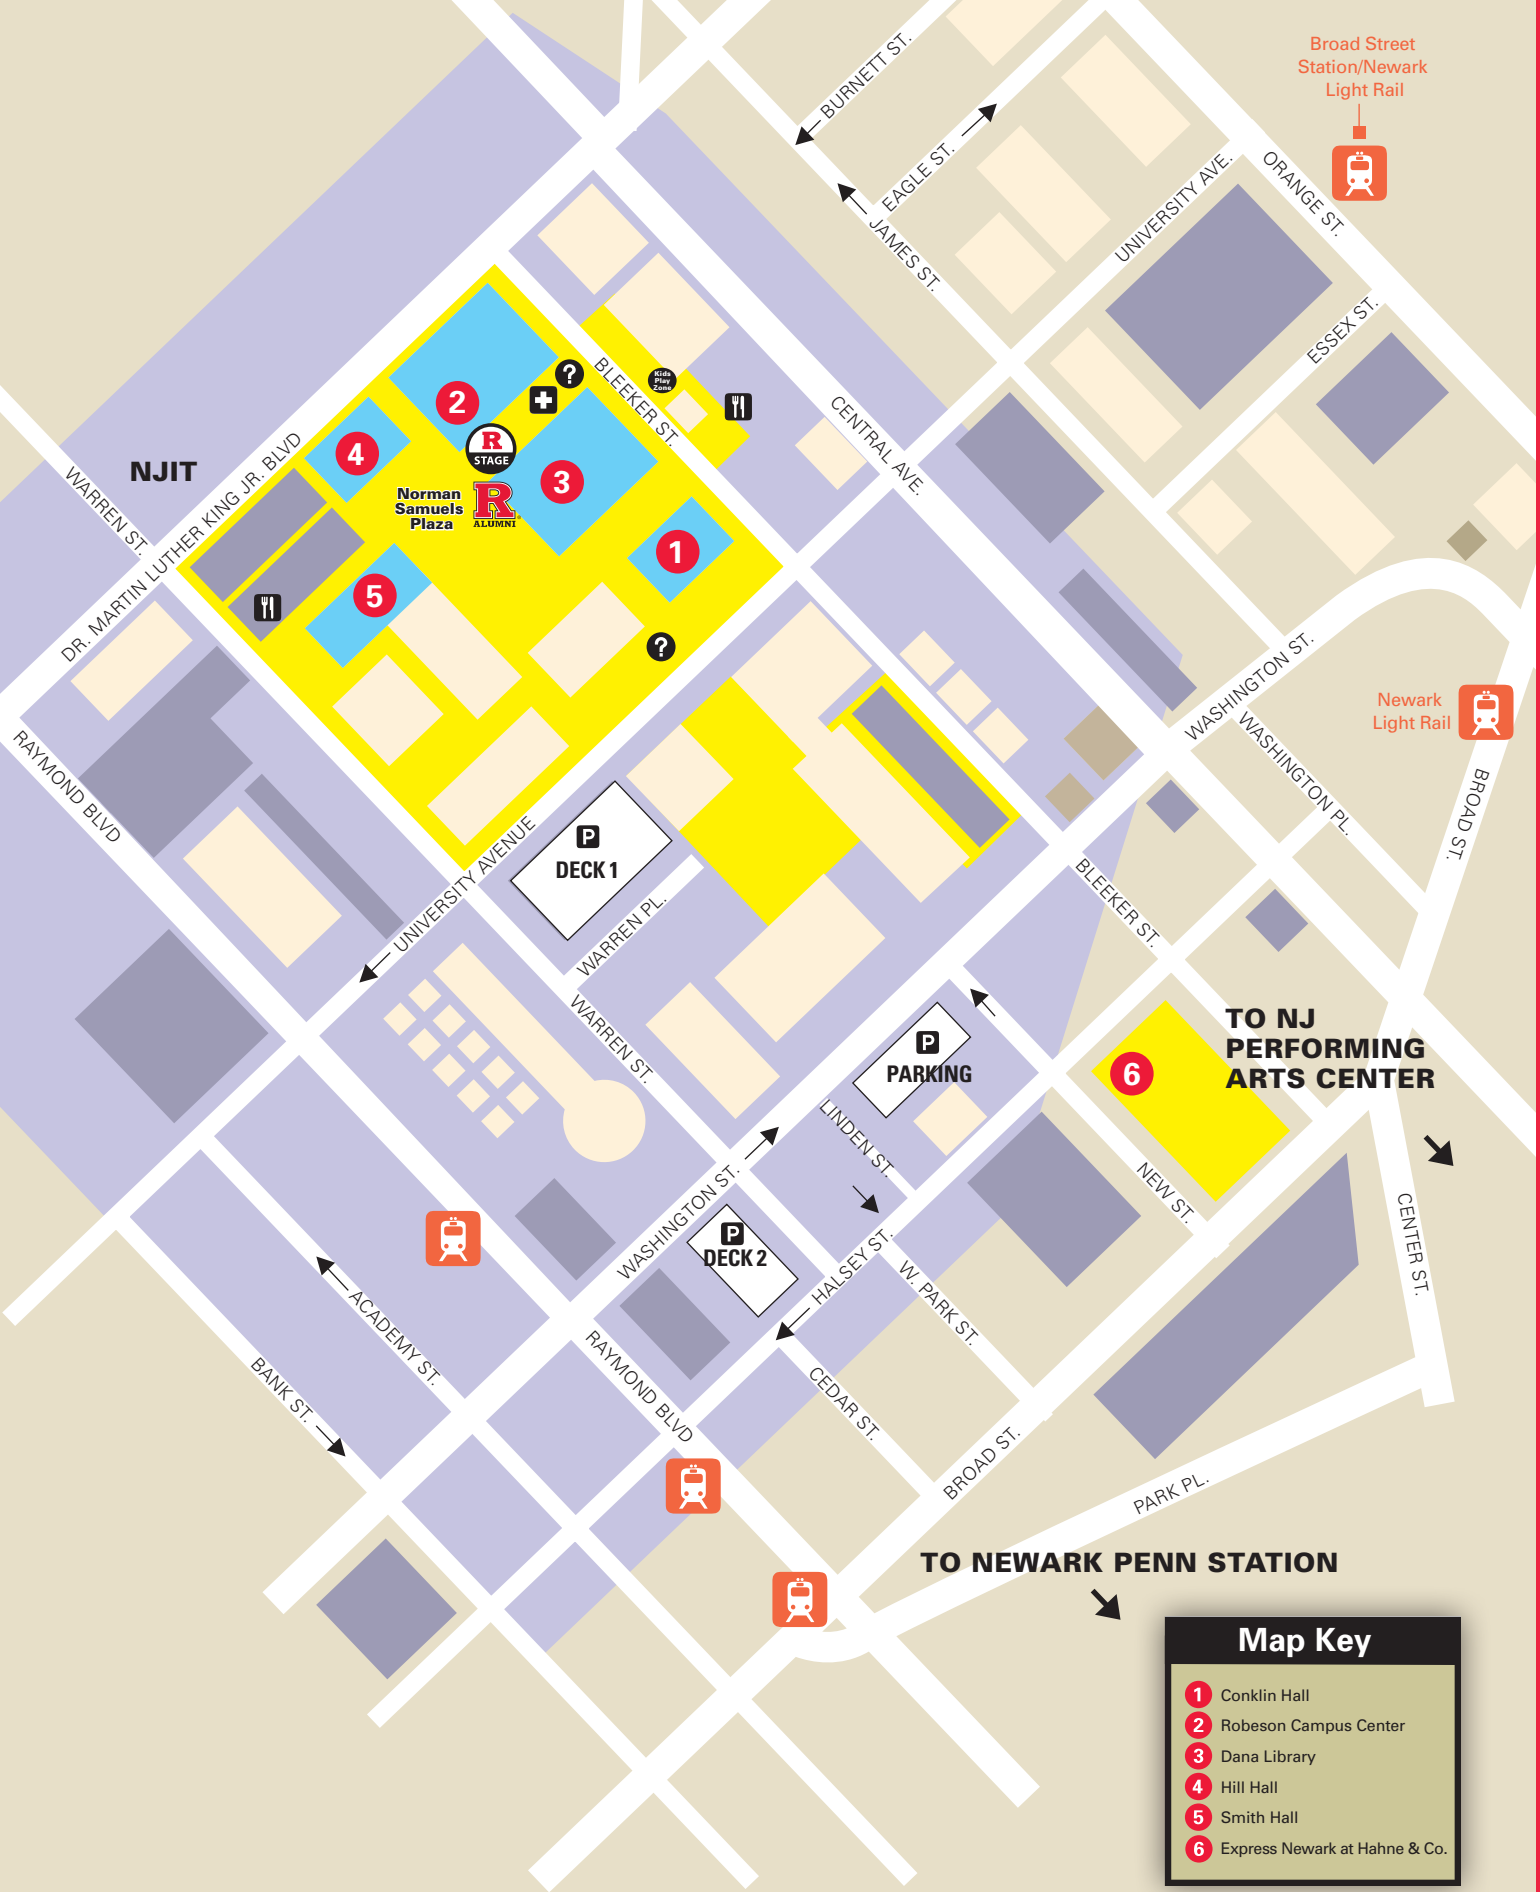

Come meet and take a selfie with our very own Super Heroes in Safety Patrol. Participate in interactive activities, learn safety information, and receive a prize. **Rutgers University Police Department**

It's a Family Affair

Blaze a scarlet trail to the alumni tent with your future Rutgers grad! Show your little ones that they too can be scarlet forever as they pose for fun photos in a Rutgers graduation cap and gown that's just their size! **Alumni Relations**

John Cotton Dana Library: "Libraries as Cornerstones of Democracy: Building an Informed Citizenry One Fact at a Time"

Learn how the library is adopting user-centered services to better serve 21st-century Rutgers students, faculty and staff, and patrons from the community. Get tips on identifying fake news, test your knowledge of current events, or learn how to get involved in public affairs. **John Cotton Dana Library, Rutgers University Libraries**

RGSNA will conduct free health screenings for common diseases affecting the Newark community. **School of Nursing, Rutgers Graduate Student Nurses Association**

Soak the Polluter

Learn about environmental protection and the impact of pollution with the Meadowlands Environmental Research Institute's Soak the Polluter. Discuss issues in environmental science while giving the polluter a soaking! **Department of Earth and Environmental Sciences**

Social Justice and Validity

The School of Criminal Justice will provide a series of interactive activities across the criminal justice continuum around social justice, the credibility of eyewitness testimony, and criminal justice terminology. **School of Criminal Justice**

Social Networking

Fun-filled event to include music, games, poetry, pictures, food, and much more! Network with fellow alumni, current students, and faculty and learn about new and exciting things going on at the Graduate School—Newark and beyond! **Graduate School—Newark**

Start Your Own Business and Market Your Brand at Rutgers Business School

Make your own art projects: glitter tattoos, sand art designs in bottles, and animal shape balloons with face painter and personalized fun tattoos. Lots of giveaways. **Office of Undergraduate Academic Services**

Stop! Don't Cross the Stage Just Yet

Learn about how to leave Rutgers—Newark with more than a diploma. **SPAA, SGA Senators and Newark NAACP**

Sustainable Geochemistry

See a demo of a reactor to make fertilizer from animal waste; learn how to make your own fertilizer from urine; learn about soil quality and how to test your garden soil. **Department of Earth and Environmental Sciences**

Take a Brain Selfie

Complete an interview and lie inside a medical imaging (fMRI) scanner, and make conclusions about what you see on the screen. **University Behavioral Health Care; Center for Molecular and Behavioral Neuroscience**

Teeth Are Always in Style

Project Dental ALL members will provide dental facts through the means of colored eggs. Make your smile using sliced apples, marshmallows, and peanut butter. **Project Dental ALL, Pre-Health**

We R International!

Fun activities that will shine a spotlight on the diverse cultures represented by the large population of international students. **Office of International Student and Scholar Services**

What Do Philosophers Do?

Participants will be introduced to the major areas of philosophical research, as well as some of the key tools used by philosophers such as logic (with fun logic riddles and puzzles). **Rutgers—Newark Philosophy Club**

What Does Public Service Mean to You? Make Your Mark on Public Service

Express how important public service is to you through illustrations and word art. **School of Public Affairs and Administration**

What's New in Technology?

Come and experience the technology world through our lens. Apple/Dell virtual reality demo. **kite+key, The Rutgers Tech Store**

When I Grow Up, I Want to Be...

Draw or color your dream profession, then learn which Rutgers majors can make your dreams come true. **Office of Academic Services, Faculty of Arts and Sciences—Newark**

You Be the Judge!

You are out of order! Bang that gavel and get a glimpse of life as a judge! Learn more about Rutgers Law School. Pose for a picture in a judge's robe and stick around to add to our sidewalk chalk mural. **Rutgers Law School—Newark**

Your Baby's Brain!

Calling all baby scientists! Bring your little ones to build sand castles, play with bubbles, and make balloon animals while you learn about your baby's development! **Infancy Studies Laboratory—Center for Molecular and Behavioral Neuroscience**

Thank you for being a part of Rutgers Day!

We would like to express our appreciation to our guests, exhibitors, faculty, staff, students, alumni, and all who helped make this day a success.
