Welcome to Rutgers Day
Explore our proud history as a colonial college and our bright future as a comprehensive research institution. Whether you’re a first-time guest or a frequent visitor, we invite you to get reacquainted with our great university and have some fun along the way!
This year marks an exciting first: Rutgers Day coincides with Alumni Weekend, hosted by the Rutgers University Alumni Association. Alumni Weekend connects old friends and classmates over two days of tours, class dinners, networking events, and more. For information and a list of Alumni Weekend events being held on Rutgers Day, turn to the inside back cover.

Pitch In
We have set an ambitious goal: keep all waste generated during Rutgers Day out of landfills. Help us reach this goal by placing your recyclables and compostables in the appropriate containers located throughout each campus. Look for facilities employees in special T-shirts who can answer questions and field comments. Take this step with us, and reduce our carbon footprint!

Download Our Mobile App
Make the most of Rutgers Day by using our free mobile app. Download it on your iOS or Android devices at rutgers.edu/rdayapp.
