Welcome to Rutgers Day
Explore our proud history as a colonial college and our bright future as a comprehensive research institution. Whether you’re a first-time guest or a frequent visitor, we invite you to get reacquainted with our great university and have some fun along the way. Rutgers Day also coincides with Alumni Weekend, so meet up with old friends and share memories!

General Information

Program Locations
Find the location of programs by matching the red circled number on the campus maps.

Information Tents
Directions, campus maps, first aid requests, and other assistance.

Parking
Rutgers lots designated on the maps are open and free. Buses should park on the Livingston Campus.

Rutgers Day Bus Transportation
The free Rutgers Day Bus Loop runs continuously to the Busch, College Avenue, and Cook/Douglass campuses. Only official guide dogs for the seeing or hearing impaired are allowed on Rutgers buses.

Livingston Shuttle
This shuttle runs regularly between the Busch and Livingston student centers.

Accessibility
All Rutgers Day buses and most Rutgers buildings (except historic buildings) are wheelchair accessible.

Campus Shuttles
Passenger golf cart shuttles are available for visitors in some areas of the Busch and Cook/Douglass campuses. Look for the shuttle stops on each campus map.

First Aid and Emergency Services
Assistance is available at the information tents as well as from Rutgers Day staff and public safety personnel. Emergency phones are located throughout our campuses. Call the Rutgers Police at 732-932-7211, or dial 911.

Lost Persons and Items
Immediately report a lost person to the nearest information tent or to any Rutgers Day staff member in an orange T-shirt. You can also call the Rutgers Police at 732-932-7211. Report or bring lost items to the nearest information tent.

Restrooms
Restrooms are available in all open buildings.

Dining
Each campus offers dining halls and food vendors.

Performance Stages
Stages feature entertainment all day long!

Photography and Videography
Photographs and videos taken at Rutgers Day may appear in our publications and website. By attending Rutgers Day, you grant Rutgers all rights to use these photos and videos in any medium and for all purposes that support the mission of the university. Please let our photographer or videographer know if you do not want your image taken.

CONTENTS
2 Rutgers Day Overview Map
3 General Information
4 Busch Campus
18 College Avenue Campus
32 Cook/Douglass Campus
42 Alumni Weekend
Busch Student Center Area

All-day programs
10 a.m. – 4 p.m.

Alternative Energy Vehicles
Lot 59
Interact with on-road electric and low-carbon vehicle owners and drivers, and see how Rutgers solar farms are supporting carbonless vehicle miles in New Jersey. Center for Infrastructure and Transportation BSC-247

Cars and Coffee
See the Rutgers Formula Race cars, and chat with Rutgers Formula Racing founding alumnus Anthony Musci about his experience on the Aston Martin V12 engine creation team. Rutgers Formula Racing, School of Engineering BSC-250

Childcare on Campus
Learn how the KinderCare Learning Center can meet your childcare needs. KinderCare Learning Center BSC-178

Dive In
Check out Rutgers’ best kept secret. Bring the kids for a dip in the kiddie pool, play in the field, or have a picnic in the shady grove. University Swimming Association, Inc. (USAI) BSC-323

Esports Smashdown
Join in a friendly game of Super Smash Brothers Melee or Super Smash Brothers for Wii U, and get pro tips on how to improve your game. Rutgers Esports BSC-674

Experience Rutgers Online
International Lounge
Experience Rutgers Online through virtual reality, and learn about our online degree programs. Teaching and Learning with Technology BSC-601

Experience Summer Session
International Lounge
Learn about our latest program offerings, including pre-college summer academies, participate in hands-on activities, receive free giveaways, and more! Office of Summer and Winter Sessions BSC-575

Where to Eat

The Busch Student Center features a food court and dining hall offering a cafeteria-style menu at a special Rutgers Day price of $10.

Engineering BBQ is located in the Engineering Area.

Vendors are set up throughout the campus.

Virtual Rutgers: Making Reality
International Lounge
Explore Rutgers architecture, history, and student creations through technologies that make the virtual real. Game Research and Immersive Design (GRID), Department of Teaching and Learning with Technology (TLT) BSC-585

Engineering Area
All-day programs
10 a.m. – 4 p.m.

Aluminum Boat Challenge
Make a boat out of aluminum foil, and see how many pennies it can hold before it starts to sink. Theta Tau BEA-576

Biomedical Engineering Demonstrations
Meet seniors, faculty, and graduate students, hear about their experiences, and learn about their projects through live demonstrations. Biomedical Engineering, School of Engineering BEA-262

Biometric Vein Matching
Near-infrared light vein images allow physicians to see beneath a patient’s skin. See this technology in action! Alpha Eta Mu Beta Organization, School of Engineering BEA-295

Build a Crystal Structure
Build a crystal with candy dots and wooden sticks, and learn about the intricate structures of famous compounds like sodium chloride or diamond. Material Advantage BEA-73

Concrete Canoe and Steel Bridge
Learn hands-on how a concrete canoe can float in water, and use toothpicks and Play-Doh to build a bridge. Rutgers American Society of Civil Engineers (ASCE) BEA-386

Discover It for Yourself!
Toss a bean bag and reveal facts about big data. Rutgers Discovery Informatics Institute BLSA-534

DIY Experiments
Make your own bubbles or slime! Society of Asian Scientists and Engineers BEA-489

Drones, Drones, Drones
Take in live demonstrations of drones in flight. Fly times are every half hour, with live footage from the drones’ cameras and sensors streamed to the ground station. Center for Advanced Infrastructure and Transportation, School of Engineering BEA-245

Enabling the Future One Hand at a Time
Check out 3D printed hands, which will be donated to children in need. ENABLE, School of Engineering BEA-291

Energy Solutions
Learn about Rutgers expertise in science, engineering, economics, and policy as it pertains to energy. Rutgers Energy Institute BEA-131

Engineering Clean Drinking Water
Learn how drinking water is treated before it reaches your tap. Civil & Environmental Engineering, Fahrenfeld Lab BEA-10

Engineering Demos
See security game simulations, 3D printing demos, and chess board demos. Industrial and Systems Engineering Department, School of Engineering BEA-249

Engineering Science Fair
If you’re curious about the “hows” and “whys” of engineering, come see how ideas are transformed from fantasy into reality by Rutgers masterminds. School of Engineering BEA-277

Engineers Barbecue
Stop by the engineering quad to pick up a hamburger, veggie burger, chicken, or hot dog - or one of each! School of Engineering BEA-243

Engineers in Motion
Recharge your imagination! Learn about wireless systems and next generation internet architectures. Electrical and Computer Engineering BEA-126

Everyday Chemistry
See everyday chemistry in exciting new ways! Chemical and Biochemical Engineering, School of Engineering BEA-264

Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
Stop by the Big R stage, located in the Life Sciences Area, to check out some of Rutgers’ premier performances!

**Extreme Engineering**
Build a small model to see how engineering concepts apply to real-life applications. Society of Hispanic Engineers, School of Engineering BEA-305

**Face Painting**
Become a work of art! Phi Sigma Rho BEA-194

**Fun with Packaging Engineering**
We all use it, but what do we really know about packaging? Join in hands-on activities and games for all ages. Packaging Engineering Program BEA-30

**Glass Blowing**
Watch as glass is blown into beautiful objects. Materials Science and Engineering, School of Engineering BEA-292

**Green Screen Getaway**
Hill Center, room 116
Pose for a customized picture against a green screen, and bring home a keepsake print. Office of Information Technology BEA-86

**Journey to the Center of the Internet**
Discover how the internet works with a variety of fun and interactive activities. Office of Information Technology - Help Desk BEA-227

**K-12 Students: Connect to Rutgers!**
Discover programs and opportunities available for K-12 youth at Rutgers University during the academic year and summer. Office of Enrollment Management, Rutgers University—New Brunswick BEA-6

**Liquid Nitrogen Ice Cream**
Chill out and watch engineers make ice cream. Materials Science & Engineering BEA-145

**Mobius Strip**
Make your own mathematical Mobius strip out of paper. Women in Mathematical Sciences BEA-388

**Robot Mania**
Meet Tachikoma, an autonomous robot designed to climb stairs, open doors, and eventually pick up burgers from Burger King. Or, challenge Tic-Tac-Toe AI, which gets smarter with every opponent. Institute of Electrical and Electronics Engineers, School of Engineering BEA-251

**Robots, Drones, and Bridges, Oh My!**
Interact with two robots, multiple drones, a 3D aerial imagery robot, or a bridge structural assessment tool. Civil and Environmental Engineering Department, School of Engineering BEA-259

**Scarlet Alumni Headquarters**
Meet up with classmates and friends at Scarlet HQ: refreshments, photos, class year buttons, and more. Rutgers University Alumni Association BEA-55

**Science Demos**
Experience a rocket car powered by baking soda and vinegar, as well as an iodide liquid clock that changes color. Chem-E-Car Club, Department of Chemical Engineering, School of Engineering BEA-606

**Seeing Atoms Up Close**
Engineering Building, A-wing, room 117
See single atoms using one of the most powerful microscopes in the world, and learn how scientists use this information to cultivate electricity from sunlight. Materials Science and Engineering BEA-435

**Suds Science**
Delve into the science of everything bubbles! Try out a huge homemade bubble wand and see if you can make an insanely large bubble. Omega Chi Epsilon, Chemical Engineering Honor Society, Department of Chemical Engineering BEA-80

**Sweet Stop**
Stop by and decorate one of 7,000 mini cupcakes. Rutgers University Dining Services BEA-61

**Swirl with SWE**
Make a pinwheel and learn about the power of wind energy. Society of Women Engineers BEA-134

**Taking Flight**
Explore recent projects, from RC planes to quadcopters and drones. Then, try your hand at a flight simulator. Rutgers University American Institute of Aeronautics and Astronautics (AIAA) BEA-448

**Tomorrow’s Innovations, Designed Today**
Learn how mechanical and aerospace engineering students and faculty are designing tomorrow’s innovations. Mechanical and Aerospace Engineering, School of Engineering BEA-261

**Water Works**
See the winning filter design from this year’s competition. See how it works and pour muddy water into the filter. Department of Civil Engineering, School of Engineering BEA-361

**Women and Math**
Learn about women doing math throughout the ages, from the ancient Greeks to Rutgers’ own! At 2 p.m. inside Hill Center, graduate student Corrine Yap will perform her one-woman show, Uniform Convergence. Department of Mathematics BEA-422

**Your Future in Computer Science**
Hill Center, room 120 and 252
Participate in hands-on demonstrations of robots, mobile devices, electronics, 3D printers, 3D viewers, 3D scanners, and more. Department of Computer Science BEA-14

**Engineering Area Programs listed by start time**

**2 p.m.**

**Dessert and Lemonade**
Stop by the Engineering Science Fair between 2 p.m. and 4 p.m. for dessert and lemonade with fellow engineers. School of Engineering BEA-265

**Life Sciences Area All-day programs**

**10 a.m. – 4 p.m.**

**Accounting and Finance Trivia**
Test your knowledge of accounting and finance. Beta Alpha Psi - Accounting and Finance Honor Society BLSA-347

**All about Anesthesiology**
Practice ultrasonography on a model patient, or take a quick lesson on basic airway management. Anesthesiology Department, New Jersey Medical School BLSA-490

**Become a WIB WIZZ!**
Spin the wheel of Women in Business History, and learn about all the different milestones women have crossed throughout time - even today’s CEOs. Rutgers Undergraduate Women in Business BLSA-360

**Big Business Wheel**
Spin the wheel and answer a Rutgers trivia question correctly to win an awesome prize. Office of Undergraduate Programs, Rutgers Business School BLSA-130

**Big Data**
Spin the wheel and win prizes by learning more about new discoveries in the technology industry. Rutgers Business School BLSA-111

**Biology Games**
Play games, win prizes, and learn about science! Biology Club, Division of Life Sciences, School of Arts and Sciences BLSA-473

**Bowling for Wall Street**
Knock down the pins, each representing a different Wall Street job or bank, and learn about each along the way. RU Valuating BLSA-516
Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).

Building Schools 15
Build your own school or house using marshmallows, pretzels, and licorice. buildOn BLSA-455

Business Golf Outing 15
Answer a series of business-related questions to earn putt opportunities and win prizes. Rutgers Business Governing Association BLSA-511

Business School in a Nutshell 15
Come visit the nutshell to learn more about the six majors at Rutgers Business School. Office of Undergraduate Programs, Rutgers Business School BLSA-229

Cell Detectives 15
Spot the difference between normal cells and cancer cells. Cytotechnology Program, School of Health Professions BLSA-419

Cheers to the Next 125! 15
Learn about the exciting and innovative new research and programs paving the way for the next 125 years. Ernest Mario School of Pharmacy Alumni Association BLSA-248

Clinical Research Jeopardy 15
Stop by to test your knowledge about clinical research and win prizes. Rutgers School of Health Professions Biopharma Educational Initiative - Health Informatics BLSA-411

Color Me Healthy 15
Bring the whole family to this health-themed coloring station! School of Public Health Alumni Association BLSA-282

Community Bingo 15
Play Community Bingo! Learn about services and support available for individuals with developmental disabilities, as well as historical facts about developmental disabilities. Community Living Education Project (CLEP), Rutgers School of Public Health BLSA-284

Cotton Candy for the Kids 15
Cheer up the kids at Saint Peter’s University Hospital by making a handmade “get well soon” card, while enjoying scrumptious cotton candy. Beta Gamma Sigma BLSA-458

CSI: Rutgers 15
Channel your favorite crime scene investigator (Sherlock Holmes? Horatio Caine?) using newfangled forensics and old-fashioned police work. Department of Criminal Justice BLSA-163

Dental Corn-hole 15
Sink a tooth bean bag into a missing tooth space and win a prize! Rutgers Pre-Dental Society BLSA-232

Doctor for a Day Photo Booth 15
Don a white coat and stethoscope, and snap a picture against our medical school backdrop. Marketing and Communications, New Jersey Medical School BLSA-136

Douglass on Busch 15
Celebrate the Douglass Centennial with students from the computer and engineering communities. Douglass Residential College BLSA-381

Dress for Success 15
Put the blinder on, spin three times, and pin the tie on the business guy! Learn that how an individual dresses for work can be a powerful extension of his or her personal brand. Office of Undergraduate Programs, Rutgers Business School BLSA-306

Embracing Chinese Culture 15
Try your hand at Chinese yoyo, a zodiac matching game, or paper folding. Chinese Student Organization BLSA-501

Estimation Station 15
Guess how many quarters are in the jar to win a piece of Rutgers apparel. Little Investment Bankers of Rutgers BLSA-454

Exploring Science 15
From crash courses to boot camps to graduate school programs, there are many ways to enjoy science. Learn what’s right for you! Quantitative Biomedicine, Joint Quantitative Biomedicine GSO, Institute for Quantitative Biomedicine BLSA-503

Fab Lab 15
Join in fun, interactive, and hands-on games related to the laboratory. Medical Laboratory Sciences Program, School of Health Professions BLSA-412

Fashion Trivia 15
Are you up on the latest fashion trends? Test your knowledge to win a fashionable temporary tattoo. Fashion Organization of Retail and Marketing (FORM) BLSA-180

Fishing for Quality Health Information 15
Cast your line for tips on staying healthy, answer wellness trivia, and learn where to catch dependable health information on the web. Rutgers University Libraries, Rutgers Biomedical and Health Sciences (RBHS), Health Science Libraries BLSA-257

Fun and Games 15
Meet the members and take your shot at winning fun Rutgers prizes. School of Health Professions Alumni Association BLSA-413

Fun Facts 15
Play games and answer Rutgers and business trivia to earn prizes. Rutgers University Accounting Association BLSA-491

Fun in the Sun 15
Join in for Hawaiian-themed games and prizes. Rutgers DECA BLSA-281

Gray Matters 15
Learn about the human brain and put together a brain model. Play games to learn about brain processing and learning. Department of Neuroscience and Cell Biology, Robert Wood Johnson Medical School BLSA-366

Growing Healthy 15
Plant a variety of seeds in take-home plant containers. V.O.I.C.E.S.: Rutgers School of Public Health Student Volunteer Group BLSA-283

Guess That Brand 15
Match the brand to its logo or slogan to win a prize. Rutgers Association of Marketing and Strategy BLSA-496

Head’s Up! 15
Get to know our departments and services while the kids participate in fun activities that will pique their interest in neurological medicine. Neurological Surgery, Neurology & Otolaryngology (Head & Neck Surgery), New Jersey Medical School BLSA-571

Health Screenings and Tips 15
Get a blood pressure screening and tips on how to lower your cardiovascular disease risk. Sonography Programs, School of Health Professions BLSA-417

Health Tips for Women, Infants, and Children 15
Learn the benefits of nutrition during the lifecycle leading up to 5 years of age. Brush up on fundamental childhood nutritional topics, prenatal health, and breastfeeding benefits. Women, Infants, and Children Program, Pediatric Department, New Jersey Medical School BLSA-704

Health Trivia 15
Stop by for some fun health-related trivia and giveaways. Rutgers Allied Health Professions Club BLSA-407

Healthcare Innovation 15
Get inspired to become a leading healthcare disruptor. Biomedical Entrepreneurship Network, Robert Wood Johnson Medical School BLSA-699

BRAIN Blast Trivia 15
Spin a wheel for a trivia category and receive a prize for participating. Building Research, Advocacy, and Innovation in Neuroscience (BRAIN) BLSA-532

Build a Microbe 15
Learn all about common microbes and their effects on the human body. Then, build one of your own to take home. Society for the Advancement of Chicano/Hispanic and Native Americans in Science (SACNAS) BLSA-600

Embracing Chinese Culture 15
Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
Healthy Eating
Can you make a healthy plate of food? With the assistance of medical students, see what’s healthy and what’s not. Office of Community Health, Homeless and Indigent Population Health Outreach Project (HIPHOP), Robert Wood Johnson Medical School BLSA-260

Healthy Lifestyles
Participate in HIIT and yoga demonstrations, and taste samples of plant-based meals and snacks (and get the recipes to take home). New Jersey Medical School: Lifestyle Medicine Interest Group BLSA-550

How to Become a Medical Student
Meet with students for a mini information session on medical school. Robert Wood Johnson Medical School, Office of Community Health, Homeless & Indigent Population Health Outreach Project (HIPHOP) BLSA-497

How Well Do You Know Your Body?
Play games centered on the nervous, cardiovascular, and respiratory systems. Office of Undergraduate Instruction - Division of Life Sciences BLSA-475

Human Body Puzzles
Put together a life-sized puzzle, and learn about the parts of the human body from Rutgers pre-med students. American Medical Student Association (AMSA) BLSA-354

Hypertension and Diabetes Awareness
Get a blood pressure, body fat percentage, BMI, or grip strength screening. North American Disease Intervention (NADI) BLSA-383

Ice Cream Social
Learn about RBSAA over a sweet treat. Rutgers Business School Alumni Association (RBSAA) BLSA-648

Korean Culture
Learn about and experience modern Korean culture. Korean Student Association BLSA-476

Let’s Get Active!
Spin the wheel of health and get your daily exercise on. School of Public Health Student Government Association BLSA-307

Life-Sized Operation
See if you can complete the classic board game challenge, this time standing five feet tall with foot-long tweezers. Phi Delta Epsilon BLSA-461

Making All the Pieces Fit
Can you put the pieces together to see a medical project through? Draw a project card and create an image with a tangram, using the steps the project would demand in a real-life situation. Office of Clinical Affairs, New Jersey Medical School BLSA-697

Medical Trivia
Meet the physician assistant team and test your knowledge with a medical trivia game. Physician Assistant Program, School of Health Professions BLSA-408

Meet the Health Professions Student Government Association
Learn about upcoming events and community impact. Student Government Association, School of Health Professions BLSA-415

Meet the Rutgers Commuter Student Association
Stop by for fun activities and information about the student organization. Rutgers Commuter Student Association BLSA-542

Mini Health Fair
Interested in learning more about your health? Curious about a career in pharmacy? Receive health screenings and information from pharmacy students. Ernest Mario School of Pharmacy BLSA-77

Molecular Candy Lab
Explore science at the molecular level by building DNA and other models with your favorite candy. RCSB Protein Data Bank BLSA-224

Online Learning and Healthcare
Meet the Interdisciplinary Studies Team, play healthcare BINGO, and learn facts about online learning. School of Health Professions Interdisciplinary Programs BLSA-410

Visit the Engineering Science Fair to experience how masterminds use their expertise to create a better, safer, and more sustainable world.

Opioid Awareness
Grab a prop and “fight” off microorganisms in the photo booth. Or, learn about the opioid toolkit and see how teenagers can raise awareness in their own schools. Rutgers Academy of Managed Care Pharmacy BLSA-519

Oral Health Awareness
It can never hurt to “brush up” on your dental health. Learn proper tooth brushing and flossing techniques, play dental trivia games, and learn about nutrition and oral cancer. Rutgers School of Dental Medicine BLSA-7

Participate in Research
Stop by to learn more about being a paid candidate for a clinical trial. University Behavioral Health Care BLSA-424

Passion and Painting
Get your face painted or have henna art applied. Plus, learn about youth empowerment through service, leadership, and scholarship. Inspiring South Asian Youth BLSA-589

Pieces to the Puzzle
Put together a small Lego figure or puzzle. Along the way, learn how important each piece of the supply chain is to the overall process of business. Rutgers University Supply Chain Association BLSA-627

Pill vs. Candy
Can you tell the difference between a potential poison and a harmless everyday item? See what can happen to the human esophagus (modeled by a hot dog) when harmful poisons are ingested. New Jersey Poison Control Center BLSA-196

Pitch Competition
Come up with a one-line pitch using two randomly assigned words or phrases. Get candy for participating and, if you win, you’ll get a prize. Rutgers Entrepreneurial Society BLSA-328

Pop the Trivia Question
Enjoy some freshly popped popcorn and play a trivia game. Office of Enrollment Management, School of Health Professions BLSA-420

Pre-College Programs
Join in fun pre-college crafts and activities. Rutgers TRIO Upward Bound and Upward Bound Math and Science BLSA-535

Professional Development
Bingo! Each spot on the board represents a professional etiquette or workplace behavior tip, as well as tips on résumé building, public speaking, and networking. Rutgers Business School BLSA-487

PT Meet and Greet
Meet our members and learn about applying to physical therapy school, the PT school experience, and how students can make a positive impact on the community through volunteerism. School of Health Professions, Student Physical Therapy Association (SPTA) BLSA-573

Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).

---

**Public Health Chat**
Chat with faculty and the admissions team about public health, opportunities, and more. Photo booth and props on hand.
*School of Public Health, Office of Student Affairs and Faculty BLSA-293*

**Putting Challenge**
Can you sink a putt nine feet away? Successful putters get to spin the wheel to win a prize.
*Rutgers Phi Beta Lambda BLSA-189*

**Research, Discovery, and Innovation**
Spin the wheel for information about the Library of Science and Medicine (LSM) and win a prize. Along the way, learn more about library materials and services at Rutgers. Rutgers University Libraries—New Brunswick BLSA-425

**RU Consulting**
By partnering with consulting professionals, this group hosts workshops to help students gain interview, team building, and other professional development skills. Learn more: Rutgers Consulting Group BLSA-463

**RU Healthy**
Get a health screening and learn more about what it means to be healthy.
*School of Nursing BLSA-464*

**RU Translational?**
Check out models of 3D printed items, translational materials, and an anatomical body model.
*NJ Center for Biomaterials BLSA-368*

**Open for Business!**
Visit the Rutgers Business School tent to see how business majors can apply their skills to virtually any industry.

---

**Rutgers STEAM**
Join in educational demonstrations and activities incorporating elements from multidisciplinary fields, ranging from STEM to the arts and humanities. Fun for all ages! *Rutgers STEAM - STEM + ARTs BLSA-466*

**Rutgers Surgery: On the Cutting Edge**
Stay sharp! Participate in fun surgical activities for all ages.
*New Jersey Medical School BLSA-566*

**Say “No” to Big Tobacco**
Tell big tobacco how you really feel about smoking, and share your anti-tobacco message on the wall of tobacco advertising. *Center for Tobacco Studies BLSA-348*

---

**Slime Time**
Make your own slime to bring home. *School of Public Health Student Government Association BLSA-308*

**Solar Observing**
View the sun safely with a 20-inch observatory telescope or an 8-inch Celestron telescope. You might even see surface features and solar flares! *Rutgers Astronomical Society, Department of Physics and Astronomy BLSA-441*

**South Indian Stars**
Can you name them all for a prize? Learn more about the South Indian community at Rutgers. *Rutgers SIF Sangam BLSA-358*

**Spin the Wheel**
Answer questions about Rutgers Business School, the business world, and Delta Sigma Pi. Everyone gets candy, but the winners receive a prize. *Delta Sigma Pi BLSA-253*

**Strawberry DNA Extraction**
Extract DNA from strawberries and learn about graduate school in the biomedical sciences. *Molecular Biosciences Graduate Student Organization BLSA-171*

**Student Meet and Greet**
Meet international students in healthcare, and learn how they spread awareness of global issues. *School of Health Professions International Student Organization (SISO) BLSA-574*

**Stuffed Animal Check-Up**
Assist medical students and volunteers as they provide a health exam for your favorite stuffed and furry friend! *Robert Wood Johnson Medical School, Office of Community Health, Homeless and Indigent Population Health Outreach Project (HIPHOP) BLSA-498*

---

**Suit Up**
Learn about and try on personal protective equipment (PPE), like hazmat suits and respirators. *Center for Public Health Workforce Development BLSA-294*

**Supply Chain Expertise**
Get a better understanding of how supply chain management impacts our everyday lives. *Business Association of Supply Chain Expertise (BASE) BLSA-329*

**Support System Relay Races**
Participate in a relay race to see how important a support system can be. *I Demonstrate Educated Beauty BLSA-234*

**The Power of Food**
How can food enhance health and academic performance? Stop by to find out! *Department of Nutritional Sciences, School of Health Professions BLSA-416*

**The Power of Perception**
Is your mind playing tricks on you? Learn how our biological makeup along with our expectations shape how we perceive the world. *Department of Psychology BLSA-605*

**The Wheel of Education**
Spin the wheel to test your knowledge about the lack of education opportunities around the world. *Rutgers Visionary Lions Club BLSA-324*

**Tic Tac Business Toss**
Toss bean bangs in the R, B, and S (for Rutgers Business School) and win a prize! *Office of Undergraduate Programs, Rutgers Business School BLSA-147*

**Tile Art**
Decorate a tile with what “healthy” means to you, and take it home with you. *School of Public Health Maternal & Child Health Student Group BLSA-288*

**Understanding Protein Cells**
Learn about how proteins keep our bodies functioning. *Rutgers Molecular Biology and Biochemistry Society BLSA-125*
We “R” SHP 15
Learn about the allied health professions programs, talk to the volunteers, participate in activities, play health-related games, and win prizes. School of Health Professions BLSA-421

What Is Your Aerobic Capacity? 16
Meet the doctoral team and take the pledge to keep moving. School of Health Professions Doctorate of Physical Therapy Program BLSA-409

What’s in Your Air, Water, and Paint? 16
Learn about portable air monitoring equipment, and see real-time concentrations of particulate matter air pollution. Learn about precautions to take surrounding lead, and how to determine if you have a lead water service line. Environmental and Occupational Health Science Institute BLSA-349

Wheel of Fortune 16
Spin the wheel and answer a question for a prize. Get a hard question correct and pie a brother in the face! Phi Chi Theta BLSA-462

Wheel of Misfortune 16
Spin the wheel and learn facts and statistics about prescription drug abuse in the United States. Prescription Drug Abuse and Over-prescription Awareness BLSA-537

Life Sciences Area Programs listed by start time
10 a.m.; 3:30 p.m.
Making a Mess and Making Bliss 16
Learn about the role chemistry plays in your life, from liquids and gases that behave unexpectedly to making ice cream. Chemistry & Chemical Biology BLSA-482

10 a.m. – 1 p.m.
Hope for Recovery from Spinal Cord Injury 16
Tour the world-class Keck Center, where cutting-edge research is bringing hope to people who are paralyzed. Tours begin at the Life Sciences Tent and run continuously between 10 a.m. and 1 p.m. W.M. Keck Center for Collaborative Neuroscience Stem Cell Research Center, Department of Cell Biology & Neuroscience BLSA-478

10 a.m.; 12:30 p.m.
Tour the Chemistry Department 16
Wright Rienman Laboratories Step into our lab and facilities to see what it’s like to be a Rutgers chemist. Department of Chemistry & Chemical Biology BLSA-488

11 a.m. – 2:30 p.m.
Stunning 3-D Visual Illusions 16
Science and Engineering Resource Center, room 111 You will not believe your eyes! Watch a 3D scene appear to move as you move in front of it. Marvel at the hollow-mask illusion: a face that follows you! (Continuous 25 minute demonstrations between 11 a.m. and 2:30 p.m.) Center for Cognitive Science (RUCCS), Rutgers Cognitive Science Club BLSA-188

11 a.m.; 1:30 p.m.
Chemistry: Seriously? Should You Be Doing That? 16
Wright Rienman Auditorium Take in a series of demonstrations that highlight the thrills and defeats of chemical experiments. Chemistry & Chemical Biology BLSA-484

12 p.m. – 2 p.m.
Pheel the Physics! 16
Spinning stools, chaos pendulums, bowling balls, and singing bowls: feel various physics phenomena through fun, hands-on activities. Physics and Astronomy BLSA-479

1 p.m.; 2 p.m.
Inside the Cell Bank 16
Explore the largest university-based cell and DNA repository in the world. Start your tour at the Life Sciences Tent. Rutgers Cell and DNA Repository BLSA-568

2:30 p.m.
Phenomenal Faraday Physics 16
Physics Lecture HallLaugh, learn, and discover the excitement of science in this popular show for all ages, featuring an exploding hydrogen balloon, a fire extinguisher rocket, and an individual lying between two beds of nails. Show runs 2:30 p.m. to 4 p.m. Physics and Astronomy BLSA-480

1 p.m.
Rutgers Women’s Lacrosse vs. Johns Hopkins
High Point Solutions StadiumSupport the Rutgers Women’s Lacrosse team in their final home game against Johns Hopkins University! Admission $10 adults; $7 children and senior citizens. Division of Intercollegiate Athletics BS-198

Join Team LeGrand for the first annual Eric LeGrand Flag Football Tournament. Teams compete throughout the day with the championship game played at 4 p.m. at High Point Solutions Stadium.
Where to Eat

Brower Commons Dining Hall serves a full cafeteria-style menu at a special Rutgers Day price of $10.

College Avenue Student Center features a food court with a large selection of popular eateries.

The Yard features a varied selection of lunch options.

Bishop House Area

All-day Programs

10 a.m. – 4 p.m.

Aikido for All Learn more about this effective self-defense method for men and women of all ages and physical types. Rutgers Recreation, Sports Club

American Sign Language Brush up on basic American Sign Language, and learn more about deaf culture. Rutgers American Sign Language Club

Antibiotic Resistance Participate in a game-style information session to learn more. NJPIRG Students

Archaeology Exploration Sift through the sandbox to find relics of the ancient past, and reconstruct them like a real archaeologist. Rutgers University Classics Club

Awakening Lions of Justice Learn how to live a life of happiness, victory, and success based on Buddhist principles and philosophy. Soka Nichiren Buddhist Club

Beating Hearts for Healing Hearts Create a small gift to donate to refugee children at home and abroad. Palestine Children’s Relief Fund

Bioethics, Science, and Medicine What are your thoughts on the most current and pressing ethical issues in science and medicine? Join in theoretical discussions with real-world applications. Rutgers University Bioethics Society

Building Community Learn how the Residence Hall Association develops communities through programming, advocacy, and leadership development. Rutgers University Residence Hall Association

Catching the Israeli Sun Bring the little ones to practice their coloring skills with Israel-related images. Rutgers Mishelanu (Hebrew Club)

Filipino Martial Arts Learn about the Filipino martial art of Eskrima. Rutgers University Filipino Martial Arts (RUFMA)

First-Generation Student Trivia Answer trivia questions about the first-generation college student identity. Rutgers University First-Generation Student Union

Food Lovers Unite Writing about and taking photos of food is our favorite pastime. Learn more about our club. Spoon University

Future Scholars Dream Team Learn about the activities and organization duties of the Dream Team. Rutgers Future Scholars Dream Team

Germ Factory Learn about germs and how to prevent the spread of germs. New Jersey Public Health Association (NUPHA)

Go Green Take the litter-clearing challenge! See what you can clean using a Green Team grabber in 30 seconds. Rutgers University Green Team

GOYA Events Experience the kinds of events this student organization has put on through the years. The G.O.Y.A. Project

Hands for Change Experience the power of privilege with an interactive game. GlobeMed at Rutgers University

Hygiene for Humanity Help make dental kits and cards for impoverished kids and their families. Rutgers United Muslim Relief

Idea Wall Share ideas you are passionate about or inspire you. TEDxRutgers

Intelligent and Innovative IT Discover and discuss innovative information technologies that are revolutionizing the way we live our lives. Information Technology & Informatics Council

Irish Dance Learn a few Irish dance steps from student members. Rutgers Irish Dance Club

Kendama Bonanza Try out kendama – a Japanese toy – and learn from our members. Rutgers Kendama Club

Learn about Air Force ROTC Learn life and leadership skills as you prepare to become an Air Force Officer and earn your college degree. Air Force ROTC, Military Education

LGBTQ+ Representation in Children’s Media Make a colorful beaded bracelet, and learn about how the LGBTQ+ community is represented in what our kids watch, read, and consume. Rutgers QSA

Medical Relief Learn about the impact of student fundraising on medical relief in Central and South America. Foundation of International Medical Relief for Children

Meet The Medium Learn more about Rutgers’ satirical newspaper. Student Activities Business Office
**Mexican American Student Events**
Learn about upcoming events as well as our goals for the university and community. 
*Center for Latino Arts and Culture, Mexican American Student Association CABH-513*

**Model Workshop**
Be a model for a day! Demonstrate your runway walk and get expert tips. 
*F.A.C.E. Modeling Team CABH-483*

**No More**
Take a picture that says NO to sexual assault and domestic violence. 
*Rutgers NO MORE CABH-640*

---

**Community Zone**
Explore displays hosted by local community organizations.

**Pin the Flower on the Afro**
Participate in the game and receive candy for your efforts.

**Polish Disco**
Join us for "Disco Polo Karaoke" and a dance-off. 
*Polish Club CABH-394*

**Public Speaking Crash Course**
Get a quick public speaking lesson. 
*Rutgers Public Speaking Organization CABH-632*

**Punjabi Culture and Crafts**
Participate in crafts and activities to learn more about Punjabi culture. 
*Association of Punjabis at Rutgers University CABH-267*

**Ring Toss**
Play ring toss for a prize. 
*Alpha Kappa Psi CABH-325*

**RU a Smart Cookie?**
Test your Girl Scout and Rutgers University knowledge to determine if you are a smart cookie...to win cookies! 
*Troop RU CABH-140*

**RU PR**
Explore all a career in public relations has to offer. 
*Scarlet Public Relations, Public Relations Student Society of America CABH-38*

---

**RU Smarter Than a 5th Grader?**
Face off in categories like science, pop culture, history, New Brunswick, and Rutgers trivia. 
*Youth Empowerment Club CABH-622*

**Rutgers College Support Program (CSP)**
Learn how CSP helps students with autism achieve their college goals. 
*Rutgers CAPS, Rutgers CSP CABH-736*

**Rutgers/Princeton Naval ROTC**
See how the NROTC program helps students develop the highest ideals of duty, loyalty, honor, courage, and commitment. 
*Rutgers/Princeton Naval ROTC Unit CABH-110*

**Save a Child’s Heart**
Pick up a giveaway—pens, pins, shirts, brochures—and donate $1 to Save a Child’s Heart. 
*Rutgers Republicans CABH-266*

**Show Your Pride Photo Booth**
Take a picture and receive a giveaway. 
*Muslim Feminists for the Arts CABH-494*

**Spell Your Rutgers Pride**
Color and customize wooden letters to take home. 
*Rutgers Art and Design Club CABH-151*

**STEM Veterans USA**
See how student veterans can become STEM industry leaders. 
*STEM Vets USA at RU CABH-132*

**Stress Relief**
De-stress with water-painting mini-lessons, or make a stress ball to take home. 
*Mu Chapter of Chi Alpha Epsilon CABH-414*

**Temporary Tattoos and Face Painting**
Bring the kids for fun (and temporary) body art. 
*Project Sunshine CABH-39*

**Test Your Wit with WITI**
Spin the wheel and answer trivia questions about women in technology. 
*Rutgers Women in Technology and Informatics (WITI) CABH-560*

**The Spirit of Judo**
Judokas showcase their throwing techniques, physical abilities, and skills. 
*Rutgers Judo, Sports Club CABH-527*

**Trivia Bonanza**
Step right up to play a trivia game and win prizes. Learn more about this chapter and its work along the way! 
*The Rutgers University Chapter of The National Society of Leadership and Success CABH-27*

**Trivia Carnival**
Take aim, and see if you can throw a ping pong ball into a fish bowl. Then, answer trivia questions about Israel’s innovation, startups, and businesses for a chance to win a prize. 
*TAMID at Rutgers CABH-628*

**Two to Tango**
Check out a Tango demonstration or even get a mini-lesson to brush up on your moves. 
*Rutgers Tango Club CABH-520*

**Veteran Services**
Browse photos and video to learn about the services offered to veterans. 
*Office of Veteran and Military Programs and Services CABH-169*

**Walk for Water**
Carry filled jerry cans across a short and fun obstacle course filled with surprises. As you battle through the obstacles, learn more about the millions without clean water. 
*charity: water Rutgers CABH-514*

**What’s on Your Plate?**
Do you know your food groups? Pin the foods in the right groups and win prizes. 
*Rutgers Women in Technology and Informatics (WITI) CABH-560*

---

**College Avenue Student Center Area**

**All-day Programs**

**10 a.m. – 4 p.m.**

**Bachata Dancing**
Center for Latino Arts and Culture 
See how bachata, a form of dance founded in the Dominican Republic, brings cultures together. 
*Bachata Club CASCA-49*

**Become a Certified Jell-o Brain Surgeon**
Steady hands wanted! Take a lesson from Rutgers neurosurgeons, and perform an operation on Jell-o brains, model skulls, and spine. 
*Department of Neurosurgery, Robert Wood Johnson Medical School CASCA-66*

**Case Study**
Learn about "special cases" in pediatric surgery, then test your surgical skills by picking up beads using a laparoscopic tool. See live demonstrations from real pediatric surgeons. 
*Division of Pediatric Surgery CASCA-31*

**Celebration of Science**
Make DNA and participate in hands-on experiments. 
*Child Health Institute of New Jersey, Robert Wood Johnson Medical School CASCA-469*

**Creating a Healthy U**
Spin the wheel to test your knowledge on food, good dental hygiene, fitness smarts, and more. 
*Eric B. Chandler Health Center CASCA-538*

**Dunk a Lambda, Pick a Lambda**
Center for Latino Arts and Culture 
Donate a dollar to charity to dunk a brother in a tank full of water or pie a brother with shaving cream. 
*Lambda Theta Phi Latin Fraternity, Inc. CASCA-724*

**Fiesta Latina**
Center for Latino Arts and Culture 
Stop by for face painting, crafts, and a community arts project that engages the entire family. 
*Center for Latino Arts and Culture CASCA-707*

**Fish Races**
Take in a fish race and win a fish. 
*Lambda Theta Alpha Latin Sorority, Inc. Under OFSA CASCA-297*

---

**Have a question?** Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
BIG R AND SCARLET STAGES

Enjoy performances by student groups on the Voorhees Mall Big R Stage and the Scarlet Stage in front of Bishop House.

GETTING HEALTHY, STAYING HEALTHY

Learn from university doctors how to stay healthy for a lifetime. Department of Medicine, Robert Wood Johnson Medical School CASCA-206

HANDS ONLY CPR

Do you know what to do when someone goes into cardiac arrest? Learn when the minutes count. Practice on both high and low fidelity manikins, and learn how easy it is to do. Rutgers-RWJMS Department of Emergency Medicine, RWJUH Mobile Health Services (EMS) CASCA-594

HEALTHY SKELETONS

Learn more about osteoporosis and the steps you can take to improve your bone health. Rutgers Osteoporosis Center, Department of Endocrinology Medicine CASCA-217

LATINIDADES: WORKS BY STUDENT ARTISTS

Center for Latino Arts and Culture
Experience an exhibition by student artists, exploring the meaning of Latino identities through works on paper and other media. Center for Latino Arts and Culture CASCA-706

LATINO STUDENT ORGANIZATION SHOWCASE

Center for Latino Arts and Culture
Check out an exhibition highlighting the recent accomplishments of Latino student organizations at Rutgers. Center for Latino Arts and Culture CASCA-708

LET’S BE HEALTHY TOGETHER!

Explore the mysteries of the brain and liver along with advances in pediatric and robotic surgery with our nationally renowned surgeons and specialists. Learn more about giving the gift of life through blood donation and keep your family safe with helpful information from our Injury Prevention Program. RWJBAMABAS Health, Robert Wood Johnson University Hospital, Robert Wood Johnson Medical School CASCA-712

“NEW JERSEY FIRST: THE LIFE AND LEGACY OF SENATOR FRANK R. LAUTENBERG”

Alexander Library
View the exhibit on Senator Lautenberg showcasing his life and accomplishments, and learn about a senator whose influence is still felt today. Rutgers University Libraries - New Brunswick Special Collections CASCA-467

PROSTHETIC DEVICES

Experience what it’s like to use a cable prosthetic arm, prosthetic limbs, and the newest in myoelectric hands. Department of Physical Medicine and Rehabilitation, Robert Wood Johnson Medical School, JFK Johnson Rehabilitation Institute CASCA-725

ROBOTIC SURGICAL SIMULATOR

See how surgeons achieve complex outcomes with minimally invasive approaches, and even test-drive our da Vinci surgical system. Robert Wood Johnson University Hospital, Robert Wood Johnson Medical School, Rutgers Cancer Institute of New Jersey CASCA-44

RU A FUTURE SURGEON?

Learn how to tie surgical knots and use laparoscopic instruments with general surgery residents. Robert Wood Johnson Medical School, General Surgery Residency CASCA-456

SÍ O NO

Center for Latino Arts and Culture
Can you spot the real Afro-Latinx celebrities, musicians, and poets? Afro-Latinx Student Organization CASCA-598

TODAY’S TREATMENTS, TOMORROW’S CURES

Learn about the latest cancer research, treatment, and prevention options from New Jersey’s only National Cancer Institute-designated Comprehensive Cancer Center. Rutgers Cancer Institute of New Jersey CASCA-45

WEIGHTLIFTING DEMONSTRATION

College Avenue Gym, front lawn
See two Olympic lifts in action: the clean and jerk and the snatch. Rutgers Weightlifting Club CASCA-337

All the World’s a Stage
Participate in interactive theater.
Mason Gross School of the Arts, Department of Theater CAVM3-128

Around the World in 80 Seconds
How many countries can you find in 80 seconds? Test your geography skills and win a prize.
Rutgers Global - Programs CAVM2-552

Art Detective Scavenger Hunt
Zimmerli Art Museum
Follow the clues hiding in works of art at the Zimmerli to complete a scavenger hunt and win a prize!
Zimmerli Art Museum CAVZ-431

Art Explorations
Zimmerli Art Museum
Enjoy art-making and other hands-on activities inspired by artworks in the Zimmerli’s exhibitions. Zimmerli Art Museum CAVZ-429

Be Your Own Masterpiece
Be immortalized in great works of art. Perhaps you’ll start your own family gallery! Department of Art History CAVM1-225

Become a Scarlet Knight
Take a picture with our giant Scarlet Knight! University Career Services CAVM3-567

Black History Trivia
Take part in a black history trivia game for a chance to win prizes. Black Student Union, Graduate School of Education CAVM3-350

Building Blocks of Ethics and Compliance
How many blocks can you remove before the tower comes crashing down? University Ethics & Compliance CAVM2-112

Celebrating 25 Years
See how the school has trained students in the fields of urban planning, public policy, public health, and health administration. Edward J. Bloustein School of Planning and Public Policy CAVM3-236

Douglass Centennial Scavenger Hunt
Participate in a fun scavenger hunt to win a prize. Douglass Residential College CAVM1-142

Douglass Fun - Yesterday, Today, Tomorrow
Help wish Douglass a happy 100th birthday! Douglass Residential College Student Organizations CAVM1-380

Cover Star
Appear on the cover of Rutgers Magazine via various fun cut-outs. Department of University Communications and Marketing CAVM2-405

Crafts and Culture
Join in crafts and games, and meet the famous paper cutter, Master Cheng. Asian American Cultural Center CAVM1-144

Creative Play Center
Attention kids! Squeeze and sculpt mounds of colorful kinetic sand, all the while using abstract thinking to develop symbolic representation skills. Office of Communications & Marketing, Graduate School of Education CAVM3-689

Culture and Language
Join in games, music, and activities related to Spanish, Latin American, and Portuguese culture and languages.
Department of Spanish and Portuguese CAVM2-531

Decorate Denim for Survivors
Decorate a denim square to add to the quilt, to show support for survivors of interpersonal violence. Office for Violence Prevention and Victim Assistance CAVM3-218

Discover the Chinese Zodiac
Are you a dragon or a tiger? Find out which of the 12 Chinese zodiac animals corresponds to your birth year, and learn about its meaning. Rutgers Global - China Office CAVM2-556

Douglass Centennial Scavenger Hunt
Participate in a fun scavenger hunt to win a prize. Douglass Residential College CAVM1-142

Douglass Fun - Yesterday, Today, Tomorrow
Help wish Douglass a happy 100th birthday! Douglass Residential College Student Organizations CAVM1-380

Dramatic Play Center
Make your own puppet and decorate it. Office of Communications & Marketing, Graduate School of Education CAVM3-691

Drawing and Collage
Create your own “Window of Understanding” answering the question: How do you see through hate? Department of Visual Arts CAVM3-615

Eat, Play, and Learn: Mangia, Gioca e Impara
Use your imagination to make carb-creations and spin the wheel of fortune! Department of Italian CAVM2-668

Election-themed Button Making
Create your own patriotic election-themed button. Rutgers University Libraries - New Brunswick CAVM1-428

Employment Abounds
Unemployed or underemployed? Learn how the Center and the NJ Workforce grant can create opportunities for New Jersey citizens. Center for Continuing Professional Development CAVM1-42

EOF Turns 50!
Celebrate this gold anniversary and learn all about SAS EOF’s resources and services. School of Arts and Sciences Educational Opportunity Fund Program CAVM2-57

Europe Day
Quizzes, games, and giveaways highlight Rutgers and the European Union. Center for European Studies CAVM2-193

Events at the Zimmerli
NB Cultural Arts Tent
Learn about the museum’s current and upcoming exhibitions and programs. Zimmerli Art Museum CAVM1-732

Exploring Language, Linguistics, and Speech
Learn how language works and why we study language. Rutgers Speech and Hearing Club, Department of Linguistics CAVM3-547

Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
Face Painting
Become a living work of art!
Zimmerli Art Museum CAVM1-430

Fromage Frenzy
Join in this famous annual cheese-tasting test. Department of French CAVM2-35

Generating Social Change at Rutgers and Around the World
Join student groups devoted to international and global social change, to learn about their newest projects around the world. Bridges to Prosperity, Engineers Without Borders, GlobeMed, OXFAM, RU GenUN, Rutgers Sustainability Coalition CAVM2-558

Get Secure
Secure your computing environment and understand the latest cyber security trends with tips from Rutgers experts. Office of Information Technology, Information Protection and Security CAVM1-20

Global Suncatchers
Capture the beauty of the world in a craft project. Rutgers Global - Study Abroad CAVM2-167

Global Trivia
Play games to learn more about our international community. Rutgers Global - International Student and Scholar Services CAVM2-549

Green Screen Getaway
Voorhees Hall, room 105
Pose for a customized picture against a green screen, and bring home a keepsake print. Office of Information Technology CAVM1-139

Helping Long-term Older Job Seekers
Are you over age 45 and looking for a job? Learn how the New Start Career Network can help you access career tools. John J. Heldrich Center for Workforce Development CAVM3-271

Explore the Honors College and its mission of "Curiosity. Knowledge. Purpose." through an interactive mosaic. Take a tour. Honors College at Rutgers University-Newark CAVM3-540

I Am Paul Robeson
Experience interactive mini-history lessons about our community’s esteemed alumni. Rutgers African-American Alumni Alliance, Inc. CAVM2-688

Imagination in Action
Experience the creativity of 4-H artists and performers, and learn how volunteers foster the imaginations of New Jersey youth. 4-H Youth Development Department, School of Environmental and Biological Sciences, Rutgers Cooperative Extension CAVM1-220

In Search of Earth’s Secrets
Join us on a mission of scientific discovery into the unknown. Rutgers Geology Museum, Department of Marine & Coastal Sciences CAVM2-24

Increasing PhD Access
Learn how this program prepares students from low-income, first-generation, and underrepresented backgrounds for doctoral studies. Student Access & Educational Equity, Ronald E. McNair Postbaccalaureate Achievement Program CAVM2-565

Increasing Student Access
See how nine administrative units work collectively to increase retention and graduation rates for first-generation, low-income, and underrepresented students. Student Access & Educational Equity, Undergraduate Academic Affairs CAVM2-569

Journalist Photo Op
Become your favorite journalist with photo booth props. School of Communication and Information CAVM3-156

Junior Scientists
Attention, kids! Become a junior scientist and be a part of science through hands-on activities.
Child Research Labs, Psychology Department, Rutgers-Newark CAVM1-214

Leadership Puppet Shows
Puppet shows based on community issues. Collaborative Center for Community-Based Research and Service CAVM3-320

Learn Spanish with Us
Brush up on your español with games and crafts related to Spanish culture and language. Rutgers Spanish Club CAVM2-642

Marathon Reading
Listen and take a turn during an all-day, continuous reading of Roald Dahl’s “Matilda.” Department of English CAVM3-53

Meet the Leadership
Learn about the department and meet Vice Chancellor Ben Sifuentes. Undergraduate Academic Affairs CAVM2-33

Minorities and Philosophy
Learn about summer programs specifically geared towards minorities and their involvement in philosophy. Minorities and Philosophy, Rutgers—New Brunswick Chapter CAVM3-595

Off-Campus Trivia Wheel
Test your knowledge of Rutgers history, New Brunswick, and RU off-campus living trends. Off-Campus Living and Community Partnerships CAVM1-634

Philosophy Café
Join faculty, staff, and students in the Philosophy Café for a coffee or lemonade, logic puzzles, chess matches, and philosophic discussion. Department of Philosophy, Center for Philosophy of Religion, Rutgers University Philosophy Club, Phi Sigma Tau-Philosophy Honors Society, and Areta-Rutgers Philosophy Journal CAVM3-165

Presidential Pool
Choose plastic duckies from a pool. Turn them over and see if you can match American presidents. Department of Political Science CAVM3-506

Prize Wheel
Answer a question and win a prize. If you win a T-shirt, take it to the tie dye station to make it your own. School of Communication and Information CAVM3-162

R Cupcake Stop
Take a selfie in front of the “R” cupcake board and help yourself to one of 2,500 mini cupcakes on display. Rutgers University Dining Services CAVM1-60

R Garden
Visit our interactive art installation made of block R sculptures, and decorate your own R! Office of Community Affairs CAVM2-750

Reduce, Reuse, Recycle
Test your knowledge about compostables and recyclables, and win a prize. Oxfam Rutgers CAVM2-623

Regional Bestsellers
Browse books about our great state and surrounding region, and meet best-selling authors. Enter to win $100 worth of books. Rutgers University Press CAVM2-121

Rutgers Athletics
Stop by for team schedule posters, ticket info, block R magnets, temporary tattoos, and face painting. Meet the Scarlet Knight and some of our student-athletes! Rutgers University Division of Intercollegiate Athletics CAVM2-199

Rutgers Day Diplomas
Are you a future Scarlet Knight dreaming of hanging a Rutgers diploma on your wall one day? Make your dream a reality, and decorate your own diploma. Undergraduate Admissions CAVM2-175

Rutgers Delivers
Learn about the university’s spring campaign, “Rutgers Delivers,” have some popcorn, and take a quiz to win a prize. University Communications and Marketing CAVM1-71
**Rutgers Office of Community Affairs**

**Community Zone**
Spinning game with prizes. Information about Rutgers programs available for the community. Office of Community Affairs CACZ-739

**Saint Peter’s Free Health Screening**
Visit the community Mobile Health Unit for free blood pressure and blood sugar screenings, plus other health information. Saint Peter’s Healthcare System CVM1-714

**Saint Peter’s Teddy Bear Clinic**
Attention, kids! Bring your teddy bear and play doctor. Plus, a pediatrician will be on site to answer parent questions.

**Scarlet and Black Historical Walking Tours**
Take a walk through history to learn about the experiences of African Americans and Native Americans at Rutgers. Public History Program - Department of History CAVM1-173

**Short Film Showcase**
Milledoler Hall, room 100
Screen student animation projects. Rutgers Animation Club CAVM3-107

**Social Justice Education**
Stop by for human-size bubble making and learn about programs for LGBTQ+ students. Social Justice Education and LGBT Communities CAVM1-321

**Step into Chinese Opera**
Enjoy having Chinese characters painted on your face, color an opera mask pattern, and pose for a photo dressed in an opera costume. Confucius Institute CAVM2-129

**Tent of Big Ideas**
Faculty members and students present their research. School of Arts and Sciences CAVM1-79

### Voorhees Mall Area

**Programs listed by start time**

**10:30 a.m.; 11:30 a.m.; 12:30 p.m.; 1:30 p.m.; 2:30 p.m.**

**Wheel of Fortune**
A $50 gift card is up for grabs every hour! Compete in wheel of fortune for a chance to win it. The Office of Student Accounting, Billing and Cashier Services CAVM2-241

**11 a.m.**

**Rutgers Children’s Choir & Scarlet Singers**
See the choirs perform selections from their repertoire. Mason Gross School of the Arts Extension Division CAVZ-312

**1 p.m.**

**Chamber Music**
Zimmerli Art Museum
Experience selections from the program’s end-of-year concert. Mason Gross School of the Arts Extension Division CAVZ-313

### Rutgers Office of Community Affairs

**Have a question?** Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
Farm Area
All-day programs
10 a.m. – 4 p.m.
Animal Science BBQ
Start the morning right with fresh coffee, bagels, and pork roll sandwiches, or stop by for a
lunch of Jersey Fresh beef burgers, bison burgers, Italian
sausages, veggie burgers, hot
dogs, and beverages. Society of
Animal Science CDF-438

Ask the State Climatologist
Marine Science Building, front
town
Visit with New Jersey climate
experts and find out more
about extremes and change that
continue to impact the Garden
State. Office of the New Jersey State Climatologist CDF-210

Conserving a Natural
New Jersey
Walton Center for Remote
Sensing & Spatial Analysis
Come see how aerial engineering
and geospatial information systems
help promote the conservation of New Jersey’s land, marine,
and coastal environments.
Center for Remote Sensing &
Spatial Analysis CDF-9

Ecstatic about the
Environment
Fun, hands-on demonstrations on
weather, environmental protec-
tion, sustainability, and restoration
are sure to make you smile.
Department of Environmental
Sciences CDF-701

Fishing Game
Marine Science Building, front
lawn
Bring the kids to participate in a
fishing game to win prizes and learn interesting facts about the
ocean. Rutgers Oceanography
Club CDF-235

Helyar House Plant Sale
College Farm Road
Browse a selection of student-
grown vegetable and herb plants.
Helyar House CDF-703

Horsing Around
Bring the kids for face painting,
and pick up a T-shirt to support
our equestrian adventures.
Rutgers University Equestrian
Team CDF-67

Where to Eat
Neilson Dining Hall serves a
full cafeteria-style menu at a
special Rutgers Day price of $10.

Douglass Student Center offers various options.

Harvest Café serves dishes
made from whole, minimally
processed foods (open until 2 p.m.).

R Cupcake Stop Help yourself to one of over
400 mini cupcakes. Rutgers
University Dining Services CDF-59

Rutgers Science Explorer
Come aboard the Rutgers Science Explorer, also known as the Science Bus! Through a
variety of hands-on activities, kids learn key STEM concepts and
gain scientific literacy. Math and
Science Learning Center CDF-502

Rutgers Science Explorer: Changing Climates
Learn about how scientists
analyze past climates and predict
future climate change. Math and
Science Learning Center CDF-586

Scarlet Alumni Headquarters
Meet up with classmates and
friends at Scarlet HQ: refresh-
ments, photos, class year buttons,
and more. Rutgers University
Alumni Association CDF-56

Tour the Equine Lab
Get an equine anatomy lesson with "Wishbone," the center’s life-
size articulated equine skeleton,
and learn about the Equine
Science 4 Kids program. Rutgers
Equine Science Center CDF-113

Weather Breakdown
Watch weather experiments, play
a trivia game, and meet members
talk about everything weather-
related. Rutgers University
Meteorology Club CDF-209

WeatherWatcher
Come one, come all to this
annual canine competition featuring 4-H members from
every county in the state. Rutgers
Cooperative Extension, 4-H Youth
Development Program CDF-16

New Jersey State 4-H Dog
Show
A high-speed horse run on a high-
speed treadmill, and learn about
the research being conducted. Rutgers
Equine Science Center CDF-114

Be an Anthropologist
Anthropologists study human
culture by drawing maps, asking
questions, observing behaviors,
analyzing talk, and more. Discover
what it takes to be an anthropol-
ologist and find that maybe you
already are! Department of
Anthropology CDLBA-205

Celebrate 80 Years with
University College Graduates
Browse an exhibit of historical
items and photographs. University
College–New Brunswick
CDLBA-336

Comic Book Superstars
Create a comic strip with you as
the star and take home a copy.
Office of Information Technology
CDLBA-137

Have a question? Ask anyone in a neon green or orange Rutgers Day T-shirt, head over to an information tent, or call 732-445-info (4636).
Celebrate Native Americans in New Jersey at the New Jersey Folk Festival

Located on the lawn of Woodlawnn Mansion, the Folk Festival offers live music and dance performances, an array of crafts and food vendors, as well as children’s activities and heritage demonstrations.

Douglass Centennial Scavenger Hunt

Lot 78
Participate in a fun scavenger hunt to win a prize. Along the way, explore the resources and support that Douglass offers. Douglass Residential College CDLBA-141

Douglass Fun - Yesterday, Today, Tomorrow

Lot 78
Help wish Douglass a happy 100th birthday! Make a birthday card, get a coloring book to take home, get a temporary tattoo, and more. Douglass Residential College Student Organizations CDLBA-378

Get Engaged: Practice Politics in 2018

Lot 78
Register to vote, cast your ballot in a real voting booth, and play politics-themed games. Eagleton Institute of Politics CDLBA-449

Green Screen Getaway

Loree Building, room 007
Pose for a customized picture against a green screen, and bring home a keepsake print. Office of Information Technology CDLBA-138

Language Diversity Challenge

Learn how language has the power to connect and culturally divide us. Department of Anthropology CDLBA-200

Photo Booth and Scavenger Hunt

Strike a pose with a professional backdrop, light stands, and props. Plus, explore Rutgers Day with our photo scavenger hunt and share your findings using a special hashtag. Rutgers Photography Club CDLBA-524

FOLK FESTIVAL

Boisterous Biochemistry and Marvelous Microbiology

Explore the molecules of life, see microbes in action, build your own bug, and explore how microorganisms change the world. Department of Biochemistry and Microbiology, Rutgers Student Chapter of the American Society of Microbiology, G.H. Cook Biochemistry and Microbiology Undergraduate Club, The Rutgers Association of Toxicology Students (R.A.T.S.) CDPP-226

Book Sale Fundraiser

Browse books for readers young and old, from fiction and field guides to self-help, cooking, foreign language, and more. Ecology and Evolution Graduate Student Association CDPP-108

Child Seat Inspection

Learn about car seat inspection stations available at Rutgers and more. University Public Safety - Rutgers University Police Department CDPP-104

Cook Alumni Association Annual Meeting

Stop by and reconnect with old friends. Cook Alumni Association CDPP-8

Dig In!

Dig into the amazing variety of New Jersey soils, and learn what makes healthy soils and healthy plants! New Jersey Agricultural Experiment Station, Rutgers Soil Testing Lab and Plant Diagnostic Lab CDPP-353

Jersey Berries

Browse a display of blueberries and cranberries—some plants will be available for purchase. Department of Plant Biology CDPP-149

Know Your Limits

Put on the “drunk goggles” and experience firsthand the perceptual changes that occur during intoxication. Center of Alcohol Studies, Graduate School of Applied and Professional Psychology, Center for Communication and Health Issues - RU SURE Program, Rutgers University Police Department CDPP-296

Labor Movement Pop Quiz

Test your knowledge of the New Jersey labor movement. Kids are invited to “build” their future careers with foam blocks. School of Management and Labor Relations CDPP-164

Learning by Doing

Learn about exciting and innovative research through the lens of outstanding undergraduate researchers. Aresty Research Center for Undergraduates CDPP-726

Love Your Weeds

Learn to press plants like a scientist, see what weeds look like under a microscope, and identify New Jersey’s edible and not-so-edible plants. Chrysler Herbarium, School of Environmental and Biological Sciences CDPP-460

Master Gardener Plant Sale

Ask an expert and shop unusual and popular vegetables, fruits, herbs, and flowers. Rutgers and Ramapo tomatoes go fast, so stop by early! Rutgers Cooperative Extension CDPP-679

How to Use a Fire Extinguisher

Learn a skill that can potentially save your life. University Public Safety - Rutgers University Emergency Services CDPP-103

Ice Cream Sale

Indulge in homemade ice cream, made by students. Undergraduate Food Science Club CDPP-124

Labor Movement Pop Quiz

Test your knowledge of the New Jersey labor movement. Kids are invited to “build” their future careers with foam blocks. School of Management and Labor Relations CDPP-164

Learning by Doing

Learn about exciting and innovative research through the lens of outstanding undergraduate researchers. Aresty Research Center for Undergraduates CDPP-726
Passion Puddle Area
Programs listed by start time
10:30 a.m.
Food Science Award Ceremony
Celebrate this year’s Outstanding Achievement Award recipient with light refreshments served by the Food Science Graduate Student Association. Department of Food Science CDPP-693

11 a.m.; 12 p.m.; 1 p.m.; 2 p.m.
Athlete for a Day
How does it feel to train like a Division I athlete? Challenge yourself with the conditioning training of Rutgers Women’s Soccer. Center for Health and Human Performance, Institute of Food, Nutrition, and Health, School of Environmental and Biological Sciences CDPP-572

11 a.m.
Continuing Professional Education
What’s your big idea? Stop by to see how Rutgers resources can help you meet your career goals. NJAES Office of Continuing Professional Education CDPP-517

2 p.m.
Dorm Room Fire
Next to Lipman Hall
See simulated fires throughout the day. At 2 p.m., see a live fire demonstration showing how sprinklers can save lives. University Public Safety - Rutgers University Emergency Services CDPP-101

10 a.m. – 4 p.m.
A Walk in the Park
Flex your design muscles at the sketching table, create your own Zen garden, or pose with plants in the photo booth. Rutgers Landscape Architecture Club CDROL-123

Ag Entrepreneurs
See the new crops that students have produced, and learn the nutritional, health, and economical impact they can have on our community. Plant Biology CDROL-683

Annual Honey Sale
Learn about honeybees and Rutgers’ beekeeping club, and even purchase some honey to take home. HIVE, The Beekeepers Association of Rutgers CDROL-434

Autism Awareness Activities
Participate in activities, from coloring pages to word searches, to increase your understanding of autism. Akhil Autism Foundation: Rutgers Chapter CDROL-115

Bake Sale
Help raise funds for school builds, teacher training, scholarships, and WASH (water, sanitation, and hygiene) programming in Ghana, Guatemala, and Laos. Pencils of Promise CDROL-379

Build Your DNA
Put together a large DNA model puzzle, or build your own model with fuzzy pipe cleaners and paper clips. G. H. Cook Biochemistry and Microbiology Club CDROL-172

Climb That Tree
Climb a famous Rutgers Red Oak by way of a rope ladder. Outdoors Club CDROL-495

Doggie Dance Party
Bring the pups for a physical activity demonstration and homemade healthy dog treats. O Beta Alpha Kappa Omicron Nu Honor Society CDROL-275

Environmental Awareness
From the little acorn to the mighty oak, the environment is all around. Test your nature knowledge and plant a seed to take home. School of Environmental and Biological Sciences Governing Council CDROL-12

Experience the Impact
Through powerful pictures and video, experience for yourself the impact of Habitat for Humanity efforts. Rutgers University Habitat for Humanity CDROL-64

Fight the Knight
Take in a sparring demonstration, get a quick lesson, and even challenge an experienced member in a fight. Martial Arts Club CDROL-74

Fun with Bugs
Marvel at exotic insects and arachnids, pick up a T-shirt and other entomology novelties, and have fun with bugs, including the ever popular cockroach races! Graduate Entomology Student Association CDROL-322

Garden in a Bag
Fill a bag with soil and seeds, tape it to your window, and watch the seeds sprout before your eyes! Students for Environmental Awareness CDROL-391

Get to Know Green Print
Get to know this online newspaper based on Cook Campus. Pick up a special printed issue or a promotional pin. Green Print CDROL-233

Get to Know the SEBS Ambassadors
Learn about the different programs and groups that make up the SEBS Ambassadors. SEBS Ambassadors CDROL-334

Go Bananas for Biotechnology
Watch student scientists extract DNA from bananas using everyday reagents like salt water and alcohol. Designer Genes Biotechnology Club CDROL-500

Hunger Games
See how education, outreach, and activism on campus can impact hunger in the community. Student Organized Rutgers Against Hunger CDROL-122

Imaginate Coloring Book
Color with the club and enjoy student-submitted writing and artwork. The Imaginate Literary Magazine CDROL-390
Interactive Sustainable Activities
Learn about water filtration, energy production via turbines, and recycling. Students for Environmental and Energy Development CDROL-529

Landscape Architecture Crafts
Explore the wide and varied field of landscape architecture with crafts and Legos. Landscape Architecture Graduate Student Association (LAGSA) CDROL-592

Leadership Through Adventure
Participate in interactive, experiential education opportunities. Leadership & Experiential Learning CDROL-47

Literary Trivia Toss
Answer trivia questions about famous books or fairy tales by tossing bean bags towards the right answer. Reach Out And Read CDROL-120

No Kid Hungry Bake Sale
Shop an assortment of cookies, cupcakes, brownies, bars, truffles, scones, edible cookie dough, and other delicious sweet treats. Rutgers Student Bakers CDROL-81

Nutrition Myth or Fact
Can you spot the nutrition myths? Rutgers University Nutrition Club CDROL-152

Origami Shuriken
Learn how to craft origami shuriken or other origami figures. Rutgers Asian American Cultural Center, Anime and Japanese Environmental Society CDROL-191

Photogruffy Water Station
Bring your dog, or play with ours, at the photo booth and water station. Rutgers Companion Animal Club CDROL-148

Plant Sale
Purchase herbs, veggies, and flowers for your garden to support graduate student researchers. And, get gardening tips for novice and expert growers. Cook Researchers of Plant Science CDROL-117

Pre-med/Pre-dent
Learn what it takes to be admitted into medical and dental schools, and what a career in these areas looks like. Pre-Medical Society, Pre-Dental Society CDROL-87

Primate Conservation Station
Learn about primate conservation, get your face painted as your favorite primate, and play fun primate-themed games! Rutgers University for Primate Conservation CDROL-485

Protecting New Jersey’s Wildlife
Experience the local impact of this organization and see a specimen to expand your knowledge of New Jersey’s wildlife. The Wildlife Society: Rutgers Student Chapter CDROL-362

Putt Around
Explore the world of turfgrass through an interactive live putting green. School of Environmental and Biological Sciences CDROL-36

RU Nutty
Take the nut quiz! Win a hazelnut tree and learn about the Rutgers Dogwood Breeding Program’s newest release, Scarlet Fire. Department of Plant Biology CDROL-40

RU Spiritual?
Stop by this interactive exhibit to ponder the existential questions of the universe. Travel through a small labyrinth in contemplative thought, or add colored sand to a mandala. Rutgers Protestant Campus Ministry: RU Spiritual CDROL-385

RU Sustainable?
Sustainability is about more than just the environment. Play a trivia game to find out how sustainable U R, and win a custom designed sticker! Rutgers Student Sustainability Coalition CDROL-303

Self-guided Greenhouse Tour and Plant Sale
Floriculture Greenhouses
Walk through the Floriculture/Teaching Greenhouse to browse tropical plants. Shop the plant sale and purchase something to take home. Department of Plant Biology, Floriculture/Teaching Greenhouse CDROL-341

Student Parents
Learn how this organization is increasing the visibility of this population by pushing for affordable on-campus childcare, advising, and mentoring. Rutgers Students With Children CDROL-85

Sugar Overload
How much sugar do the foods you eat contain? Learn about healthier alternatives. Nutritional Sciences CDROL-733

Test Your Stormwater Knowledge
Test your knowledge about stormwater and receive a free gift. Rutgers Environmental Health & Safety CDROL-72

The Red Oaks of Red Oak Lane
Learn about the challenges facing the oak trees that line Red Oak Lane, and get a sneak peek at the area’s future. Rutgers Urban Forestry Program, Department of Landscape Architecture CDROL-239

Veg Society
Pick up a vegetarian starter guide and learn about a plant based-diet. Rutgers Veg Society CDROL-356

Vermicompost Demonstration
Learn more about this composting technique, and play an interactive game. RU Compost CDROL-370

Whack-A-Knight
Come one, come all as the knights of the Scarlet Cross take to the field to accept all challengers! Scarlet Cross CDROL-359

What is the Purpose of Life?
Navigate our interactive display to ask life’s deepest questions. InterVarsity Multi-Ethnic Christian Fellowship CDROL-553

Where Are We?
Test your geography trivia knowledge, play with a blow-up globe, and pin locations on the interactive map. Rutgers Undergraduate Geography Society CDROL-133

Women’s Center Exploration
Take a tour and learn about a day in the life of a volunteer. Women’s Center Coalition CDROL-638

Red Oak Lane Area Programs listed by start time
11:30 a.m.
Carnivorous Plants
Floriculture Greenhouses
You don’t want to touch these plants, they might bite... or maybe leave a sticky digestive enzyme that consumes slowly. Department of Plant Biology, Floriculture/Teaching Greenhouse CDROL-342

12 p.m.
Horticultural Therapy Tour
Floriculture Greenhouses
Get a crash course in the practice and profession of horticultural therapy. Learn about the role plants can play in healing and rehabilitation. Department of Plant Biology, Floriculture/Teaching Greenhouse CDROL-352

1:30 p.m.
All About Orchids
Floriculture Greenhouses
Visit this collection of the largest plant family: the orchids. See hundreds of diverse species and exotic hybrids. Department of Plant Biology, Floriculture/Teaching Greenhouse CDROL-351

2:30 p.m.
Edible vs. Poisonous
Floriculture Greenhouses
Ever see a macadamia or cashew plant? One nut is near impossible to open, the other is poisonous when raw. Find out which is which on this tour of edible and not-so-edible plants. Department of Plant Biology, Floriculture/Teaching Greenhouse CDROL-344
Alumni Weekend
Alumni Weekend has once again come together with Rutgers Day to offer more opportunities to celebrate your Rutgers connections. On Friday, April 27, and Saturday, April 28, reunite with your classmates and Rutgers family at a series of events presented by the Rutgers University Alumni Association.

Reconnect, Recharge, and Reunite!
Looking for a place to meet up with former classmates and friends at Rutgers Day? Reconnect at the Scarlet Headquarters on the Busch, Cook/Douglass, and College Avenue campuses. Take a break from the elements and recharge with refreshments. Grab your class year button to show your Rutgers pride! Get information on how to sign up for the weekend activities.

Friday Programs
12 p.m. – 5 p.m.
Hospitality Suite
Winants Hall

12 p.m. – 2 p.m.
Scarlet Traditions:
Kirkpatrick Chapel Class Stones
Kirkpatrick Chapel

Saturday Programs
10 a.m. – 4 p.m.
Scarlet Headquarters
Busch Campus
College Avenue Campus
Cook/Douglass Campus

10:30 a.m. – 11:30 a.m.
Rutgers Day & All Alumni Parade
Leave from College Avenue Gym

1 p.m. – 2 p.m.
Alumni Memorial Service
Kirkpatrick Chapel
